

## Catwoman (Book 1): The Dark End of the Street

Written by Ed Brubaker; Art by Darwyn Cooke and Mike Allred For years, Selina Kyle has prowled the skyline of Gotham City as its most famous thief, Catwoman. But when word spreads of Catwomans demise, Selina decides to leave the costumed world behind and continue her trade cloaked in the shadows. Unable to enjoy her newfound anonymity for too long though, Selina decides that she must return to her infamous persona. Donning a new costume and attitude, Catwoman returns to the streets and sets her sights on the serial killer that has been preying upon the streetwalkers she calls friends.
