

More Flowers (For Crayons And Wide Tipped Markers)

By popular request, pattern artist Angie Grace brings you a close-up look at 50 more of the gloriously graceful garden inspired design motifs featured in Flowers (Angies Patterns Volume 8.) In this special edition companion book you'll find fabulous frilly flowers and playfully perplexing posies, all presented in Angies unique and whimsical pattern art style. Artwork is printed on one side of the page only and has been drawn with crayon and wide tipped marker artists of all ages in mind. Looking for something more challenging? Personalize your coloring art even further using your favorite marker shading or tangle-style ink pattern techniques!
