

Fiance Wanted! (Harlequin comics)

Magic wand, bring me a fiance! Katy waves the magic wand. She is sick of her family nagging her to get married. At this point, it doesn't matter if he really is her fiance or not; as long as she has a man to show her family, they'll be happy. Katy, I need a fiancee, too. When Katy realizes who says this, she is dumbfounded. Magic wand, if you were going to send me this guy, you might as well have not sent anyone at all! Katy and Dylan have been like oil and water together ever since they were little kids. No matter how convenient it would be to team up, there's no way the two of them could be lovers!
