

## Fishing for Stars

Nicholas Duncan is a semi-retired shipping magnate who resides in idyllic Beautiful Bay in Indonesia. Grieving the loss of his wife, Anna, he is suffering for the first time from disturbing flashbacks to WWII, the scene of their first meeting. His other wartime lover is the striking Marg Hamilton, a powerful Australian political player still close to Nick. Encouraged by a Post Traumatic Stress Disorder Specialist, Nick sets about writing his life, drawing us into the compelling tale of the life he has lived since his war-hero days, building a shipping empire, and loving the women who inspire him.
