

## Jubilee (Poppy Chronicles 1)

The marriage between Mildred Amberly and Lizah Kid Harris, a Jewish boxer from the East End seems a union doomed to failure. However, they have a daughter, Poppy who has the strong will and feistiness of her parents as well as an insatiable appetite for all lifes experiences. Poppys first memory is of Queen Victorias Jubilee in 1897. And so begins the story of Poppys life during a period of rapid and monumental change for herself and for all women.
