

Give Me Your Heart, My Son (CD)

The Very Best of the Vision Forum Father/Son Retreats The father and son relationship is one of the defining relationships in the universe. In fact, before there was a universe, there was the eternal Father who loved the eternal Son. We should not be surprised, therefore, that Satan has reserved his most fiery darts to alienate Christian fathers from their sons. The best way to destroy a nation or to render the Church ineffective is to destroy the legacy of multi-generational faithfulness which God intends for covenant-keeping men and their progeny. With this in mind, Vision Forum Ministries launched the Vision Forum Father/Son Retreats. Four years later, over 2,500 fathers and sons have graduated from this special three-day retreat designed to build a biblical vision for unity and love between the men of a family. We have received hundreds of testimonies of lives that were changed and relationships that were restored at these retreats. Give Me Your Heart My Son contains some of the highlights of past retreats. Speakers featured in this series include evangelist and historical reenactor Richard Little Bear Wheeler, Norm Wakefield of Elijah Ministries, Bob Welch of Bible Teaching Ministries, Pastor S.M. Davis, and myself, Doug Phillips. This handsome album houses 8 compact discs. Over 8 hrs. Subjects Include: Remembering a world when fathers roamed the earth How to interview your father and build multigenerational legacies Why and how adult men must learn to forgive, love, and respect their fathers Becoming men of honor Building a culture of virtuous boyhood So Johnny wants to play with guns? How to win the heart of a rebel The true story of Braveheart Developing the disciplines of manhood
