

How to Raise a Successful Adult: A Balanced Approach to Parenting

How to Raise a Successful Adult A Balanced Approach to Parenting Parenting a child is one of the most significant undertakings most men and women may experience throughout their lifetime. While it is impossible to use a one shoe fits all, approach to parenting, there are a few basic principles that may be commonly applied in effectively raising a balanced child and subsequently, successful adult. This e-book seeks to discuss those principles in a condensed but informative manner that will reinforce those values and practices you may have already adapted into your own method of parenting.
