Letter to Somewhere Take it from me; it'll hurt a lot less if you just lower your expectations. I used to ask God for things. Now I don't. I used to cross my fingers at 11:11 every morning and every night and make a wish. But now I don't. Through all this, I've come to believe that our wishes and prayers aren't heard. And you know what? I'm happier for it. Lucas, a teenager boy, had a dream to become a doctor. He and his brother haven't had the most stable of upbringings. He must find a way to live with his father without giving up on his dream. Letter to Somewhere is a story of the family problem about how the lack of leadership can burn the house.
