

Raising Your Child: The Complete Illustrated Guide: A Parenting Timeline of What to Do at Every Age and Stage of Your Child's Development

Raising Your Child: The Complete Illustrated Guide is an information-packed guide that leads parents through the ever-changing maze of new behaviors, developments, and challenges present in a child's first six years. It is filled with essential information, expert advice, practical solutions, and key choices to ensure a child's healthy development for their first six years and set them up for success in later developmental stages. In addition to understanding their child's stage of development, readers are given parenting techniques and activities they can use with their child to maximize physical, emotional, intellectual, and behavioral development at every age and stage.
