

Silver Surfer (2014-2015) #8

The Surfer finds himself drawn to the most unlikely planet he's ever sensed in all his cosmic travels. A population of 666 billion sentient beings, made up of 666.667 billion races. What is the secret of this world where practically no two life forms are the same? And while Norrin Radd deals with this mystery, Dawn Greenwood comes face-to-face with The Greatest Monster in the Galaxy!
