

Superman: Eradication! (Superman (DC Comics))

One of Superman's greatest foes, the Eradicator, transforms the Man of Steel into a brutal, emotionless monster over the course of these seven stories. Along the way, Superman must also battle Lobo, Maxima and Draaga. This storyline foreshadowed events in The Death of Superman graphic novel. Collecting: Action Comics #651-652, Adventures of Superman #460, 464-465 and Superman #41-42 -- written by Roger Stern, Dan Jurgens, and Jerry Ordway; and illustrated by George Perez, Kerry Gammill, Brett Breeding, Jerry Ordway, Dennis Janke, Dan Jurgens, Art Thibert, and Andy Kubert.
