

Tarzan Volume Ten: Tarzans Quest & Tarzan and the Forbidden City (Adventure & Historical: Tarzan) (v. 10)

The tenth volume of Leonaurs collected Tarzan stories by Edgar Rice Burroughs takes the willing reader on Tarzans Quest-the nineteenth adventure of the legendary Lord of the Jungle. Tarzan must travel to discover a strange tribe of white savages hidden in the interior. Their discovery is now made the more vital because they have kidnapped the daughter of his friend. How could he know that he would also be called upon to rescue the passengers of a crashed aircraft-among them his own beloved Jane? The twentieth Tarzan adventure takes the famous Apeman on the journey to the hidden city of Ashair with its hideous rites of torture and sacrifice and its gigantic diamonds. Once again there are hapless victims to rescue and villains to deal with as we join our hero in Tarzan and the Forbidden City. The complete Tarzan series is available, with two tales per volume, in hardcover or softcover, with complementing covers, to make the perfect collection for your library.
