

# Terminal Hero #2: Digital Exclusive Edition

Peter Milligan continues with his vision of Terminal Hero! Rory always thought he was a good man, but that seems like a long time ago. Still reeling from the terrible side-effects of Treatment Q and the fact that he killed his best friend, Rory's life now takes an even darker and more complicated turn when he's approached by two members of British Intelligence. After a strange meeting with what's left of the man who developed Treatment Q, Rory is desperate to escape from the violent new life he's being forced to lead. But will he pay the price?
