

The Arab States and the Palestine Question: Between Ideology and Self-Interest (Washington Papers (Paperback))

Miller has written extensively on the Middle East and has been an analyst with the Department of State. He is well-acquainted with the so-called 'Palestine Question'. The focus of the present study is upon the Palestinian cause and its less than full cooperative relationship with Jordan, Syria, and Egypt... . This volume is an excellent complement to Arthur Days East Bank/West Bank and is useful to the serious student of Middle East politics.
