

The Wonder of Children: Nurturing the Souls of Our Sons and Daughters

With *The Wonder of Girls* and *The Wonder of Boys*, bestselling author Michael Gurian presented his groundbreaking views on parenting. Now, with the same breadth of vision and depth of commitment, he puts forth a practical design for better nurturing the souls of our sons and daughters. *The Wonder of Children* offers Michael Gurian's scientifically argued steps toward better care of our children's souls. You'll learn how and why to: Increase bonding and attachment in the family and bring the extended family back into the raising of children. Control a child's media use and expand time spent in the natural world. Guard against damaging brain stressors that can trigger disorders such as depression and substance abuse. Examine the potential toxicity of a child's daily schedule. Increase the time children spend in spiritual process, understanding the mysteries of life, and experiencing joy and a sense of belonging. A passionate and practical guide, *The Wonder of Children* puts forth a finely wrought argument for greater attention to the spiritual side of childhood.
