

## TWILIGHT HUNGER 2 (Harlequin comics)

The screenplay Morgan wrote based on the old diaries she found in her attic becomes a box office hit. She's overjoyed until she learns that Dante, the author of the diaries and the keeper of a dark secret has become the target of an assassination attempt as a result of her success. He confronts Morgan, who has become so enamored of him that she can't help but protect him, even at the cost of her own life and the two become bound by a tie that cannot be broken. He'll be your ally, even when the world has become your enemy...
