

What If? Collected Writings, 1986-2000

Including 35 previously unpublished essays, *What If?* represents the mature thought of one of the 20th century's most provocative architects. Accompanying the text is an extensive four-color commentary by the author that expands on, and often challenges, his arguments. A detailed glossary explores such essential Soleri concepts as miniaturization, frugality, estheticity, and the much-discussed Urban Effect.
