

Your Notebook! Things I Learned Today: A journal for your insights and monitoring your daily insights and stress reduction to feel better and be happier (Volume 1)

This journal, centered around the idea that every day you experience wonderful learning opportunities, and here is a place to write them down and observe your insights and revelations. Then comes the exciting part: applying de-stressing techniques to deepen your introspection and self discoveries. What happens after that? You feel better, you make wiser decisions, you have more joy in your life, and this has wonderful impacts on everyone else in your life too! Ready to begin? Over 200 pages devoted to an entire month.
